CONDITIONS OF SALE.

This is a **bona-fide** public sale, for **prompt cash settlement**, and irresponsible persons who are not sure whether they can pay for what they bid on, **are asked not to bid.** The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the **sole right** to decide upon any claims. **These are the only conditions** under which bids will be received.

Coins and medals are sold at **so much per PIECE**, and no lot will be separated. The auctioneer will accept any bid up to 50c., then 5c. up to $2.50, when 10c. advance must be bid, up to $10.00, when no advance under 25 cents will be accepted. If there are 5 pieces in a lot and you wish to pay $5.00 for the entire lot, then bid $1.00.
lot, then bid $1.00.

Auction sales are **strictly for cash.** Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

Be sure you bid on the lot you wish to buy.

All coins, etc., are genuine unless otherwise described.

My charge for executing bids will be 5 per cent. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

We will send a printed list of the prices realized for the three days' sale, for $1.50, cash to be sent in advance.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer, Thomas L. Elder.

Dear John,

In trying to help with the code names in Mougey, here is what I have on a few lots.

to Bement lot 1, 12, 161, 169 3=HC, 1=SHC or HC [47, 57, 62, 89, 92, 108, 110, 146, 182, 190, 222, 249, 257, 264, 275]

CDrJ

to Sleeper lot 9, 15, 18, 40, 48, 56, 60, 68, 72, 80, 90, 94, 96, 97, 105, 114, 115, 121, 122, 130, 132, 133, 136, 153, 162, 170, 179, 186, 188, 192, 199, No-221, 226, 241, 244, 258, 263

to Elder "/10: 771 lot 23

to John P. Lyman lot 34

to G.H. Clapp lot 35

to Elder "/10: 795 lot 67 Ugs

to Elder 12/10: 767 lot 83 DrT

to H.C Miller: 818 lot 87 Ugs

For what its worth, Blackwell got a half of lot 139 from somebody and its now in REN's coll.

As for the 5-160's, here's what I find.

MS-60 Mougey: 35 - H.C. - G.H. Clapp - ANS - WHS - REN

MS-60 - (really AU-55) E. Morthouse - Chapman's 12/89: 537 - Mougey: 34 - H.C. - Lyman: 414 - Allenburger: 435 - WCB - DWL - REN

AU-55 Chas. Mecu - TJC, 1950 - WHS - ANS

WHS strikes again

The Clapp coin, ex. Mougey: 35, has the rev. plated as "O" in his book and at that time was owned by Clapp. And the ANS inventory shows for the 5-160 now in their collection as, "Not the Clapp coin. No provenance".

As for the Hays-Phelps 5-67, I have written Ralph Mitchell in regard to the coin. Will let you know further on this. It's very possible he could have bought the coin from Wayte Raymond. Ralph is an old time collector, well known in these parts and nationally.

Wow, 38 volumes of anything is wild. Hope you even the binder.

Best, Dick

UNIQUE $5. BECHTLER PIECE.

1393 (1831). Obverse: "C. Bechtler. Assayer. Rutherford County. *". Reverse: "North Carolina Gold, 5 Dollars. 20 Carats *". The distinctive feature of this unique piece is that it has not "150 Gr" under "20 Carats", as on lot 1175 of my James B. Wilson Sale, which piece sold for $785 to Mr. Granberg. Mr. Hidden, the well-known authority on these coins, suspected the existence of such a piece, states that Bechtler had a good sense of proportion, and the line "150 Gr." makes the reverse design clearly lop-sided. Being unique this coin is worth just as much as any private gold coin that ever was sold. See Plate.
